

The United Way plans to bring a lot of opportunities to the garden in the months to come... but first we plant the seeds and plan for harvest. Check back for updates to the Calendar.

The garden will offer area opportunities to not only get your hands dirty but to learn! Utilizing the space for youth focused workshops, youth events, and gardening. Education will be offered seasonally.

Sample workshops, camps, events (*denotes a green project):

- Gardening in a Bottle*
- Create a Pet Rock for Home & One to Leave in the Garden
- It's a Bug World: Creating Bug Houses to help your yard/garden*
- It's the the Bees Knees: Creating Bee Watering
- One Day Youth Summer Camps
- Butterfly Release
- Garden Kids: a Children's Garden Area*
- Birdhouse Building
- Worms: What they do & release*
- Crafts: Sun Catchers, Painted Cans for Planting*
.....and so much more!
